**Judge's Comments:**

I always enjoy judging in Georgia, the hospitality is always the best. We arrived early Friday night and pitched in to help set up lights and staging. The show was in a room at the end of a large building at the Farmers Market. Lots of birds and goodies for sale there. You must go in 2010. Susan Saylor did very well with a stunning Black Cheek, very nice birds. We should see some in the National in Tulsa, later this year.
