Judge's Comments:

I would like thank the Greater Chicago Bird Club for having me judge the Lovebird Division. Also Jan Bishop and Blake for helping run a very good show. We had 77 birds combined with a Pet Expo which was a very good time. All types of animals under the same roof. For a March Show, the were birds were in great condition. We had no fillers, all show birds. The Opaline section was the largest section with all different colors. We also had about 20 Novice birds which is a real plus for the society - new people. Blake Ma won the show with a normal peachfaced, Green bird was in perfect condition and the Abyssinian was great too. Great show and thanks to all the exhibitors who came with their birds.
