90 birds and 5 exhibitors and here we go again very high competition between Voges, Arthur, and Munis. I have seen these birds 2 weeks ago at the great american bird show and to my surprise the two winners of the great american bird show, eyering & peachfaced, are my 1 and 2 birds. Well Dave & Mary Arthur won the show with the green fischer's and the fischer's champion took best in show. The birds were better this week then 2 weeks ago. A very nice show with great entries. Tnks for bringing the bird's out.
