Judge's Comments:

On July 16th the Asociacion de Criadores y Exhibidores del Norte held their first show at the Hotel Guajataca. I judged two divisions that day, Rares & Eyerings with 105 entries by 17 exhibitors and the Peachfaced Division with 91 birds by 11 exhibitors.

The Rares & Eyerings Division was for the most part Fischer's with over 80 entries in virtually every class, young and old birds. The first and second place birds in division, a green and medium green fischer's , were outstanding birds in every aspect exhibited by Adalberto Ocasio. Third in division was a beautiful type II dilute violet fischer's bred and owned by Arnaldo Repollet. Arnaldo also won best unflighted with his green fischer's. There were some extremely nice Masked exhibited in various mutations that still needed some cage training but were of excellent quality. Luis Ramos green masked was 4th in division and Nicky Mass and Rolando Colon also having masked on the top bench, excellent birds!

The Peachfaced Division had a number of exceptional birds entered, as typical for this time of the year, some conditioning problems, affecting a number of nice entries. Danny Cardona dominated the top three spots on the bench with American Cinnamon OF, Australian Cinnamon OF and Medium Violet OF. Juan Carlos Cotto had 4th place with a WF Medium Blue Violet and Luis Ramos 5th with his Yellowfaced American Cinnamon to round up the top five.

The following day, Sunday, July 17th; ACEN held a special show for par blues only. There were 55 par blues shown in 19 different classes. This was a pretty amazing show in itself even though it was not an ALBS sanctioned show and no points were earned by the winners. The club did provide awards for the top six entries and some very beautiful birds were exhibited by a number of enthusiasts. Marcus Sierra was the top winner in this special show with his Violet Par Blue Fischer's.

I wish to thank ACEN for the opportunity to judge their first show and for their very fine hospitality. Thanks to the several stewards in all the shows, the show secretaries and for the hard work and time the members put into the show to have this very fine exhibit. Also, thank you to all the exhibitors from the island, without you there would be no show.

Sincerely,

Mike Miller
