Judge's Comments:

A new show location and much more space, a total of 9 exhibitors and 66 entries. I saw quite a few yellow faced birds, it is nice to see progress in this new mutation. Remember, when you breed to add something to other factors not always you get what you want. That is what breeding is about. The majority of the birds were in good condition, the Abby had some condition problems and this didn't allow him to go higher. Thank you all for a fine show!

Judge's Comments:

I would like to thank the FHEC for having me judge the Love Bird Division. A total of 9 exhibitors and 66 birds, what a great show for summer! The birds were in great shape and the top 11 birds could win any show. The Dilute Green Fischer was spotless and showed well. Blue Masked was the best I have seen in a long time. Green PF was also the best I have seen. The top 3 birds & exhibitors were great, good job exhibitors!

Thanks again,
Joe DeLuca
